## Employment Questionnaire

8. Like any job, there are many "parts" to the one being offered at J.M. Pet Resort. A brief description would be that we would need someone who is easy going, hard working, good with people. We are also looking for an extremely organized individual with exceptional multi-tasking skills and the ability to prioritize and complete tasks. In addition, this person needs to be able to do his/her fair share of physical work. There are orders to be put away (dog food can weigh up to 45lbs. a bag), or carried to a customer's car. The store also needs to be stocked and items rotated on a regular basis. You may also be needed to restrain a dog for micro-chipping or grooming. Last but not least, even though this isn't the primary focus of this position, we need a tidy person who is willing to jump in and vacuum, empty the trash, mop if needed or pick up dog poop.

Is there any part of this that you feel would be an issue for you? Why or why not?

9. Is there anything that we have not touched on here or in your application or resume that you would like to tell us?

Thank you for helping us to make a good match for our team!
